The time period for reply, if any, is set in the attached communication.

### Office Action Summary

**Application No.**

10/769,917

**Applicant(s)**

ROSENBLATT ET AL.

**Examiner**

JOHN O. PRESTON

**Art Unit**

4143

-- The MAILING DATE of this communication appears on the cover sheet with the correspondence address --  
**Period for Reply**

A SHORTENED STATUTORY PERIOD FOR REPLY IS SET TO EXPIRE 3 MONTH(S) OR THIRTY (30) DAYS, WHICHEVER IS LONGER, FROM THE MAILING DATE OF THIS COMMUNICATION.

- Extensions of time may be available under the provisions of 37 CFR 1.136(a). In no event, however, may a reply be timely filed after SIX (6) MONTHS from the mailing date of this communication.
- If NO period for reply is specified above, the maximum statutory period will apply and will expire SIX (6) MONTHS from the mailing date of this communication.
- Failure to reply within the set or extended period for reply will, by statute, cause the application to become ABANDONED (35 U.S.C. § 133). Any reply received by the Office later than three months after the mailing date of this communication, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).

**Status**

- 1) ☒ Responsive to communication(s) filed on 03 February 2004.
- 2a) ☐ This action is **FINAL**. 2b) ☒ This action is non-final.
- 3) ☐ Since this application is in condition for allowance except for formal matters, prosecution as to the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

**Disposition of Claims**

- 4) ☒ Claim(s) 1-36 is/are pending in the application.
- 4a) Of the above claim(s) \_\_\_\_\_ is/are withdrawn from consideration.
- 5) ☐ Claim(s) \_\_\_\_\_ is/are allowed.
- 6) ☒ Claim(s) 1-36 is/are rejected.
- 7) ☐ Claim(s) \_\_\_\_\_ is/are objected to.
- 8) ☐ Claim(s) \_\_\_\_\_ are subject to restriction and/or election requirement.

**Application Papers**

- 9) ☐ The specification is objected to by the Examiner.
- 10) ☒ The drawing(s) filed on 03 February 2004 is/are: a) ☒ accepted or b) ☐ objected to by the Examiner.
- Applicant may not request that any objection to the drawing(s) be held in abeyance. See 37 CFR 1.85(a).
- Replacement drawing sheet(s) including the correction is required if the drawing(s) is objected to. See 37 CFR 1.121(d).
- 11) ☐ The oath or declaration is objected to by the Examiner. Note the attached Office Action or form PTO-152.

**Priority under 35 U.S.C. § 119**

- 12) ☐ Acknowledgment is made of a claim for foreign priority under 35 U.S.C. § 119(a)-(d) or (f).
- a) ☐ All b) ☐ Some \* c) ☐ None of:
1. ☐ Certified copies of the priority documents have been received.
  2. ☐ Certified copies of the priority documents have been received in Application No. \_\_\_\_\_.
  3. ☐ Copies of the certified copies of the priority documents have been received in this National Stage application from the International Bureau (PCT Rule 17.2(a)).

\* See the attached detailed Office action for a list of the certified copies not received.

**Attachment(s)**

- 1) ☒ Notice of References Cited (PTO-892)
- 2) ☐ Notice of Draftsperson's Patent Drawing Review (PTO-948)
- 3) ☒ Information Disclosure Statement(s) (PTO-8508)
- Paper No(s)/Mail Date 02/03/2004.

- 4) ☐ Interview Summary (PTO-413)
- Paper No(s)/Mail Date \_\_\_\_\_.
- 5) ☐ Notice of Informal Patent Application
- 6) ☐ Other: \_\_\_\_\_

## DETAILED ACTION

### Status of Claims

1. This action is in reply to the application filed on February 3, 2004.
2. Claims 1-36 are currently pending and have been examined.

### *Claim Rejections - 35 USC § 103*

3. The following is a quotation of 35 U.S.C. 103(a) which forms the basis for all obviousness rejections set forth in this Office action:  
  
(a) A patent may not be obtained though the invention is not identically disclosed or described as set forth in section 102 of this title, if the differences between the subject matter sought to be patented and the prior art are such that the subject matter as a whole would have been obvious at the time the invention was made to a person having ordinary skill in the art to which said subject matter pertains. Patentability shall not be negated by the manner in which the invention was made.
4. Claims 1, 2, 3, 6, 7, 10, 13-15, 18, 19, 22, 25-27, 30, 31, and 34 are rejected under 35 U.S.C. 103(a) as being unpatentable over Bank Marketing News (Jan/Feb 2001. Volume 33, Issue 1) and in view of The Star Tribune (Minneapolis, Minn. May 10, 1997, page 3H).

Claim 1            Bank Marketing News discloses the following limitations:

- *determining if the consumer is a potential purchaser of real estate* (Bank Marketing News page 14-17);
- *offering a credit card account to the consumer if the consumer is a potential real estate purchaser* (Bank Marketing News page 14-17);

Bank Marketing News does not disclose any other limitations. However, The Star Tribune discloses the following limitations:

Art Unit: 4143

- *transferring a balance to the credit card account equal to at least a portion of closing costs associated with the purchase of the real estate by the consumer (Star Tribune page H3); and*
- *providing a predetermined discount to the consumer for items purchased by the consumer using the credit card account (Star Tribune page H3).*

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the marketability of credit cards to potential homeowners.

Claim 2 Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 1. Bank Marketing News further discloses the following limitations:

- *using at least one of a realtor, a bank, and property management companies to identify a consumer desiring to purchase real estate (Bank Marketing News page 14-17).*

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the marketing of credit cards to potential homeowners.

Claim 3 Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 1. Bank Marketing News further discloses the following limitations:

- *offering the credit card account through at least one of a realtor, a bank, and a point-of-sale location (Bank Marketing News page 14-17).*

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of

The Star Tribune because it would improve the marketability of credit cards to potential homeowners.

Claim 6 Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 1. Star Tribune further discloses the following limitations:

- *the discounted purchase items are associated with the purchased real estate* (Star Tribune page H3).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the marketability of credit cards to potential homeowners.

Claim 7 Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 1. Star Tribune further discloses the following limitations:

- *the discount is provided through an entity from which the discounted purchase items are purchased* (Star Tribune page H3).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the marketability of credit cards to potential homeowners.

Claim 10 Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 1. Star Tribune further discloses the following limitations:

- *identifying an entity from which the consumer purchases items using the credit card account* (Star Tribune page H3);
- *determining whether items purchased from the identified entity qualify for a discount* (Star Tribune page H3); and
- *discounting items purchased from the entity when determining that items purchased from the identified entity qualify for a discount* (Star Tribune page H3).

Art Unit: 4143

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the efficiency of marketing credit cards to potential homeowners.

Claim 13

Bank Marketing News discloses the following limitations:

- *a memory storage for maintaining a database (Bank Marketing News pages 14-17); and*
- *a processing unit coupled to the memory storage, wherein the processing unit is operative to determine if the consumer is a potential purchaser of real estate (Bank Marketing News page 14-17);*
- *offer a credit card account to the consumer if the consumer is a potential real estate purchaser (Bank Marketing News page 14-17);*

Bank Marketing News does not disclose any other limitations. However, The Star Tribune discloses the following limitations:

- *transfer a balance to the credit card account equal to at least a portion of closing costs associated with the purchase of the real estate by the consumer (Star Tribune page H3); and*
- *provide a predetermined discount to the consumer for items purchased by the consumer using the credit card account (Star Tribune page H3).*

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it improves the marketability of credit cards to potential homeowners.

Claim 14

Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 13. Bank Marketing News further discloses the following limitations:

- *the processing unit being operative to use at least one of a realtor, a bank, and property management companies to identify a consumer desiring to purchase real estate* (Bank Marketing News page 14-17).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the efficiency of marketing credit cards to potential homeowners.

Claim 15 Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 13. Bank Marketing News further discloses the following limitations:

- *the processing unit being operative to offer the credit card account through at least one of a realtor, a bank, and a point-of-sale location* (Bank Marketing News page 14-17).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the efficiency of marketing credit cards to potential homeowners.

Claim 18 Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 13. The Star Tribune further discloses the following limitations:

- *the discounted purchase items are associated with the purchased real estate* (Star Tribune page H3).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the marketability of credit cards to potential homeowners.

Claim 19 Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 13. The Star Tribune further discloses the following limitations:

Art Unit: 4143

- *the discount is provided through an entity from which the discounted purchase items are purchased* (Star Tribune page H3).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the marketability of credit cards to potential homeowners.

Claim 22 Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 13. The Star Tribune further discloses the following limitations:

- *the processing unit being operative to: identify an entity from which the consumer purchases items using the credit card account* (Star Tribune page H3);
- *determine whether items purchased from the identified entity qualify for a discount* (Star Tribune page H3); and
- *discount items purchased from the entity when determining that items purchased from the identified entity qualify for a discount* (Star Tribune page H3).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the efficiency of marketing.

Claim 25 Bank Marketing News discloses the following limitations:

- *determining if the consumer is a potential purchaser of real estate* (Bank Marketing News page 14-17);
- *offering a credit card account to the consumer if the consumer is a potential real estate purchaser* (Bank Marketing News page 14-17);

Bank Marketing News does not disclose any other limitations. However, The Star Tribune discloses the following limitations:

Art Unit: 4143

- *transferring a balance to the credit card account equal to at least a portion of closing costs associated with the purchase of the real estate by the consumer (Star Tribune page H3); and*
- *providing a predetermined discount to the consumer for items purchased by the consumer using the credit card account (Star Tribune page H3).*

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the marketability of credit cards to potential homeowners.

Claim 26 Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 25. Bank Marketing News further discloses the following limitations:

- *using at least one of a realtor, a bank, and property management companies to identify a consumer desiring to purchase real estate (Bank Marketing News page 14-17).*

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the marketability of credit cards to potential homeowners.

Claim 27 Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 25. Bank Marketing News further discloses the following limitations:

- *offering the credit card account through at least one of a realtor, a bank, and a point-of-sale location (Bank Marketing News page 14-17).*

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of

The Star Tribune because it would improve the efficiency of marketing credit cards to potential homeowners.

Claim 30 Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 25. The Star Tribune further discloses the following limitations:

- *the discounted purchase items are associated with the purchased real estate* (Star Tribune page H3).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the marketability of credit cards to potential homeowners.

Claim 31 Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 25. The Star Tribune further discloses the following limitations:

- *the discount is provided through an entity from which the discounted purchase items are purchased* (Star Tribune page H3).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the marketability of credit cards to potential homeowners.

Claim 34 Bank Marketing News/Star Tribune discloses the limitations as shown in the rejection of claim 25. The Star Tribune further discloses the following limitations:

- *identifying an entity from which the consumer purchases items using the credit card account* (Star Tribune page H3);
- *determining whether items purchased from the identified entity qualify for a discount* (Star Tribune page H3); and
- *discounting items purchased from the entity when determining that items purchased from the identified entity qualify for a discount* (Star Tribune page H3).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News with the technique of The Star Tribune because it would improve the efficiency of marketing credit cards to potential homeowners.

5. Claims 4, 16, 28, and 29 are rejected under 35 U.S.C. 103(a) as being unpatentable over Bank Marketing News/Star Tribune, and further in view of The Sunday Telegraph (London (UK). April 7, 2002. page 10).

Claim 4 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 1. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Sunday Telegraph discloses the following limitations:

- *a discounted interest rate on the account balance corresponding to the closing costs transferred to the credit card account, wherein the discounted interest rate is less than the interest rate applied to the balance associated with transactions other than the closing costs* (The Sunday Telegraph page 10).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Sunday Telegraph because it would improve the marketability of credit cards to potential homeowners.

Claim 16 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 13. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Sunday Telegraph discloses the following limitations:

- *the credit card account includes a discounted interest rate on the account balance corresponding to the closing costs transferred to the credit card account, wherein the discounted interest rate is less than the*

*interest rate applied to the balance associated with transactions other than the closing costs* (The Sunday Telegraph page 10).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Sunday Telegraph because it would improve the marketability of credit cards to potential homeowners.

Claim 28 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 25. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Sunday Telegraph discloses the following limitations:

- *the credit card account includes a discounted interest rate on the account balance corresponding to the closing costs transferred to the credit card account, wherein the discounted interest rate is less than the interest rate applied to the balance associated with transactions other than the closing costs* (The Sunday Telegraph page 10).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Sunday Telegraph because it would improve the marketability of credit cards to potential homeowners.

Claim 29 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 28. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Sunday Telegraph discloses the following limitations:

- *the discounted interest rate is zero* (The Washington Post page D1).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Sunday Telegraph because it would improve the marketability of credit cards to potential homeowners.

6. Claims 5 and 17 are rejected under 35 U.S.C. 103(a) as being unpatentable over Bank Marketing News/Star Tribune/Sunday Telegraph, and further in view of The Washington Post.

Claim 5 Bank Marketing News/Star Tribune/Sunday Telegraph discloses the limitations as shown in claim 4. Bank Marketing News/Star Tribune/Sunday Telegraph does not disclose any other limitations. However, The Washington Post discloses the following limitations:

- *the discounted interest rate is zero* (The Washington Post page D1).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune/Sunday Telegraph with the technique of The Washington Post because it would improve the marketability of credit cards to potential homeowners.

Claim 17 Bank Marketing News/Star Tribune/Sunday Telegraph discloses the limitations as shown in claim 16. Bank Marketing News/Star Tribune/Sunday Telegraph does not disclose any other limitations. However, The Washington Post discloses the following limitations:

- *the discounted interest rate is zero* (The Washington Post page D1).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune/Sunday Telegraph with the technique of The Washington Post because it would improve the marketability of credit cards to potential homeowners.

7. Claims 8, 9, 11, 12, 20, 21, 23, 24, 32, 33, 35, and 36 are rejected under 35 U.S.C. 103(a) as being unpatentable over Bank Marketing News/Star Tribune, and further in view of The Washington Post (Feb. 2, 2003, page H5).

Claim 8 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 1. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Washington Post discloses the following limitations:

- *the discount is provided by an issuer of the credit card account* (The Washington Post page H5).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Washington Post because it would improve the marketability of credit cards to potential homeowners.

Claim 9 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 1. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Washington Post discloses the following limitations:

- *an issuer of the credit card account and an entity from which the discounted purchase items are purchased, are the same entity* (The Washington Post page H5).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Washington Post because it would improve the efficiency of marketing credit cards to potential homeowners.

Claim 11 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 10. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Washington Post discloses the following limitations:

- *entities from which items purchased qualify for a discount are predetermined by an issuer of the credit card account* (The Washington Post page H5).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Washington Post because it would improve the efficiency of marketing credit cards to potential homeowners.

Claim 12 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 1.

Art Unit: 4143

Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Washington Post discloses the following limitations:

- *the credit card account is configured for use by the consumer to make purchase transactions unrelated to the purchased real estate* (The Washington Post page H5).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Washington Post because it would improve the marketability of credit cards to potential homeowners.

Claim 20 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 13. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Washington Post discloses the following limitations:

- *the discount is provided by an issuer of the credit card account* (The Washington Post page H5).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Washington Post because it would improve the marketability of credit cards to potential homeowners.

Claim 21 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 13. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Washington Post discloses the following limitations:

- *an issuer of the credit card account and an entity from which the discounted purchase items are purchased, are the same entity* (The Washington Post page H5).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the

technique of The Washington Post because it would improve the efficiency of marketing credit cards to potential homeowners.

Claim 23 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 22. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Washington Post discloses the following limitations:

- *entities from which items purchased qualify for a discount are predetermined by an issuer of the credit card account* (The Washington Post page H5).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Washington Post because it would improve the efficiency of marketing credit cards to potential homeowners.

Claim 24 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 13. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Washington Post discloses the following limitations:

- *the credit card account is configured for use by the consumer to make purchase transactions unrelated to the purchased real estate* (The Washington Post page H5).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Washington Post because it would improve the marketability of credit cards to potential homeowners.

Claim 32 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 25. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Washington Post discloses the following limitations:

- *the discount is provided by an issuer of the credit card account* (The Washington Post page H5).

Art Unit: 4143

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Washington Post because it would improve the marketability of credit cards to potential homeowners.

Claim 33 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 25. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Washington Post discloses the following limitations:

- *an issuer of the credit card account and an entity from which the discounted purchase items are purchased, are the same entity* (The Washington Post page H5).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Washington Post because it would improve the efficiency of marketing credit cards to potential homeowners.

Claim 35 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 34. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Washington Post discloses the following limitations:

- *entities from which items purchased qualify for a discount are predetermined by an issuer of the credit card account* (The Washington Post page H5).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Washington Post because it would improve the efficiency of marketing credit cards to potential homeowners.

Claim 36 Bank Marketing News/Star Tribune discloses the limitations as shown in claim 25. Bank Marketing News/Star Tribune does not disclose any other limitations. However, The Washington Post discloses the following limitations:

- *the credit card account is configured for use by the consumer to make purchase transactions unrelated to the purchased real estate* (The Washington Post page H5).

It would have been obvious to one of ordinary skill in the art at the time of the invention to combine the method of Bank Marketing News/Star Tribune with the technique of The Washington Post because it would improve the marketability of credit cards to potential homeowners.

8. Any inquiry of a general nature or relating to the status of this application or concerning this communication or earlier communications from the Examiner should be directed to **John Preston** whose telephone number is **571.270.3918**. The Examiner can normally be reached on Monday-Friday, 9:30am-5:00pm. If attempts to reach the examiner by telephone are unsuccessful, the Examiner's supervisor, **JAMES REAGAN** can be reached at **571.272.6710**.
9. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://portal.uspto.gov/external/portal/pair> <<http://pair-direct.uspto.gov>>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at **866.217.9197** (toll-free).
